Recycle your beaford Season Guide into 'Three Little Birds'

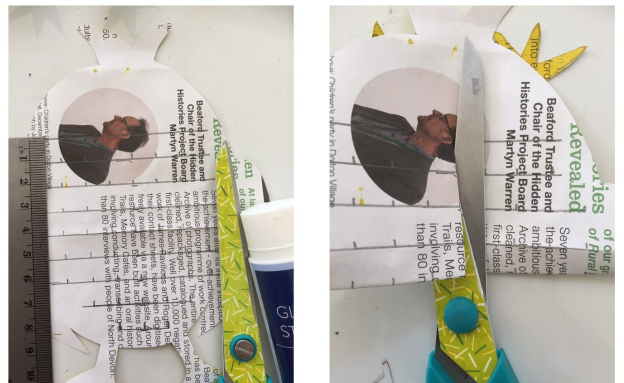

You will need...Season Guide or other paper, paint, scissors, pencil, ruler and a little bird template. Start by painting your paper in rainbow colours.

Draw around your bird template on a piece of the colourful paper and cut out. Cut all remaining paper into 1cm wide strips that are longer than your bird.

At this point you should have birds in one block of colour and lots of colourful strips of paper for weaving.

Turn over birds and draw a grid on the back at 1cm intervals. NB you need to draw an 8cm grid to fit 7 rainbow strips of paper otherwise it'll be a very tight squeeze!

Fold it in half and cut each vertical line then weave the rainbow strips horizontally.

When all colours are in, cut and stick the excess to secure them.
